LAP READING SUPPORT PROGRAM 2019-2020 PARENT/GUARDIAN SURVEY SUMMARY OF RESULTS

The input and feedback from families and teachers is important to us and helps us shape our LAP Reading Support Program to meet the needs of our students and to partner with parents in the education of their children. Here are the results that were collected from the end-of-year parent survey we conducted this year. Thank you for your feedback and taking the time to complete this survey. 9 surveys were returned out of 55 sent out to families of LAP students.
