Attached, please find a contract from Island County that allows the Stanwood-Camano School District to accept CARES money from an Island County Community Impact Grant. The grant to our district will be based on the number of students who are Island County residents and are enrolled in the district. Currently that number is 1,608. The district will receive fifty dollars per student enrolled which is \$80,400.00 in order to invest on additional technology or personal protective equipment.
